Cat Inspect Web. This version of Internet Explorer is no longer supported. Please upgrade your browser. This is the best service company I have ever dealt with. Every email was answered in minutes with helpful information and kindness. Our bespoke glass was ready really quickly and the quality of the workmanship is perfect - no mess, no trace of anything having changed in the double glazing, except for the beautifully fitted cat flap. All cat flap fitters DGU's are made with toughened safety glass and carry a 5 year guarantee. The hole for the cat flap is sealed and the cat flap fitter will fit your cat flap or the cat flap you asked us to supply.
